

## STEWART'S COTTON SEED PLANTER.

**THE BEST INVENTION FOR THE PURPOSE KNOWN.**

They will receive £1000 for the amount of fifty per cent or more.

The planter will be sold at a price with certainty and regularly without any previous preparation, and deposit there in a narrow straight drift, thereby reducing the after cultivation as very easy.

They will agree to furnish all the information desired.

**Hill-Side, Circle Rows, Narrow Beds,**  
**HARD OR SOFT RIDGES.**

ALSO—

**Stiff Cloudy Lands,**  
where provided by an iron-bar harrow, will work well in stamp land, has been three years in culture.

**They will open the ground, drop the seed, and cover them at one operation.**
